

St Mary's Parent Support Group

23rd September 2020

Dear Parent/Guardians,

The main role of the PSG is to raise money for the school for things that will improve our children's school experience. Thanks to the generosity and support of many of you, we raised £3200 last year through various fundraising events. This enabled us to purchase a clever touch interactive board for the P4/5 class.

Due to Covid restrictions it will be difficult to host fundraising events, and subsequently the funds these events would have generated will be lost.

The PSG are politely asking all families to make a **donation of £20/whatever you feel is affordable for your family** to continue to raise much needed funds.

All money raised by the PSG goes directly to our school to benefit our children.

Return contributions in an envelope with child's/children's name and class, and place in the letterbox at the buzzer door by **Friday 2nd October 2020**

We would like to thank you for your continued and generous support .
